She from the 6 but she looking like 10
Just tell me when I can take you to the ends
If you ain't coming solo you can slide with your friends
I'ma top dawg
When I pull up she gon' ride it like a cop car
Got her singing on my mic like a pop star
You're the only one I'm puttin' on my roster
Girl you proper

I would never hide her
Everybody know that she my rider
Baby this a 'Rari not a Viper
If she's ever lost then I'ma guide her
Used to be a sniper, now I'm tryna wife her
Shawty know she bad ain't gotta hype her
Got that water on her like she Tyla
Whatever she need I'm gon' supply her

Cuz she always gettin' prettier
Getting finer
Bad gyal
Fire
Girl you bring the heat like a lighter

And ya' always gettin' prettier
Gettin finer
Richer
Wiser
Body sit neat in designer

Yeah, you always gettin' prettier
Always gettin' (Prettier)
Yeah, you always gettin' prettier
Yeah, you always
Gettin' prettier

So bad you don't need no makeup
Whipping in the kitchen as soon as we wake up
Grindin up the za only time that we break up
