

That's My Bae

JAY1

Girl, I want you, want you
Now, I'm on you, on you
Fuck them Niggas keep your eyes on me
That's my honey, honey
And it's funny, funny
All these Leicester Donny's DM you
But that's my bae, aye
I'm just stepping out the mist cause me and them are not the same, aye
No, we are not the same, no, no, no, no

Six shots, man a back a couple then I'm out of it
Spot a little lighty looking lovely, man I'm eyeing it
Pouring up my drink and I told her just put some ice in it
Looking like a diamond, I'm even thinkin' about wifin' it
Wait, but she looking like the one that' I'd like
We be chillin' in the crib and she be lookin' like ice
Baby always lookin' saucy, you ain't takin' her shine
Gimmie couple couple weeks and I be makin' her mine
But back to my babes because so often she's coocoo
Got a nice body and she's rockin' them new Loubs
Poor back then but now I'm hittin' up new moves
Everybody's talkin' but they're talkin' that popo
Chillin' with my squady lookin' certi as fuck
Some of us are sippin' juice and some are burnin' it up
We ain't never turnin' down cuz we be turnin' it up
And if you wanna know about sauce you gotta learn it from us

Girl I want you, want you
Now, I'm on you, on you
Fuck them Niggas keep your eyes on me
That's my honey, honey
And it's funny, funny
All these Leicester Donny's DM you
But that's my bae, aye
I'm just stepping out the mist cause me and them are not the same, aye
No, we are not the same, no, no, no, no

I'm just preein' up your gram and yeah it lookin' sexy
I ain't even talkin' Messi when I gave her teachie
When I tell her come and bless me she just comes and net me
I be aimin' like I'm snipes but I ain't talkin' Wesley
Baby come and ride it, girl just take me away
All them niggas movin' cocky you ain't takin' my babes
Never talk about the figures but we be makin' it rain
Gimme couple couple years and i be takin' the game, fuck off
Girl, you got me on a semi when you back it for me
Girl your booty look good, come and back it for me
And you can't talk about the work because she mash it for me
And when she's givin' me that ucker she be gagging for me
Quickly take her shopping now she's holding my hand
Chill with her for couple months and now she's talkin' my slang
And if a nigga try to touch her then they're holdin' a bang
She be teasin' up a nigga whilst I'm coutin' my bands

Girl I want you, want you
Now, I'm on you, on you
Fuck them Niggas keep your eyes on me

That's my honey, honey
And it's funny, funny
All these Leicester Donny's DM you
But that's my bae, aye
I'm just stepping out the mist cause me and them are not the same, aye
No, we are not the same, no, no, no, no
