

# Hooked On Your Love

Jaya

I see the look in your eyes tonight  
It says you want me with all of your might  
I can't control what I'm feeling inside  
Keep me wanting more, you keep me wanting more

Can this be love or is this a game  
A love addiction with no one to blame?  
You took control of that beat in my heart  
Keep me wanting more, you keep me wanting more

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

I feel the need to be in your arms  
Feeling the touch of your body so warm  
I come alive whenever you're near  
You know you turn me on, you know you turn me on

Can this be love or is this a game  
A love addiction with no one to blame?  
You took control of that beat in my heart  
Keep me wanting more, you keep me wanting more

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

I'm so...  
I'm so...  
I'm so...  
I'm so...

I'm so...  
I'm so...

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on your love  
I'm so hooked on your love

Hooked on your love  
Hooked on your love  
Hooked on...  
I'm...

Hooked on your love  
Hooked on your love  
Hooked on...  
I'm so hooked on your love
