

I Just Fall In Love Again

Jaya

Dreaming
I must be dreaming
Or am I really lying here with you
Baby
You take me in your arms
And though I'm wide awake
I know my dream is coming true

And though I
Just fall in love again
Just one touch and then it happens every time
There I go I
Just fall in love again
And when I do
I can't help myself I fall in love with you

Magic
It must be magic
The way I hold you and the night just seems to fly
Easy
For you to take me to a star
Heaven is that moment when I look into your eyes

And though I
Just fall in love again
Just one touch and then it happens every time
There I go I
Just fall in love again
And when I do
I can't help myself I fall in love with you
I can't help myself I fall in love with you
