JayDaYoungan

(The Heroz)  
(Lako, you a fool for this shit)  
(Red Jon)  
(HeartBeatz on the track)

My heart colder than Alaska  
Living life without a father, shit was hard, I never knew I'd be a bastard  
In love with the streets, shit, I ain't wanna leave, ain't never knew I'd be  
a rapper  
Fell in love with music, I used to distribute, I'm supposed to be a trapper  
Look me in my eyes, tell me what you see  
Pain, this shit run deep  
I swear, I'm so tired of this shit 'til I'm weak  
I ain't been able to sleep  
I've been so paranoid, this shit creep  
I just been praying the Lord give me peace  
I gotta keep a rod close to me  
Sometimes it just be hard just to eat

They don't wanna see me win  
It's hard to keep some friends  
I'm tryna keep my mind focused, I'm tryna find peace again  
I lay down with one of my eyes open, the reaper been pulling me in  
Lord, forgive me for all of my sins  
Lord, forgive me for all of my sins  
Momma know I'm living reckless, she sent me a message like "Son, be safe"  
Going back and forth to court, I've been stressing, thank God, I won the cas  
e  
In the boxing ring, it's just me and depression, I'm fighting this shit ever  
yday  
All these demons won't leave me alone, think it's better if I be alone  
I know 12 wanna throw me in jail, I've been walking a straight line  
In my cell, I was stuck with no bail, living life through FaceTime  
Thought you fucked with me, but I can't tell, all you did was waste time  
I'm exhausted  
They tend to fuck over me often  
Every time I get up, I keep falling  
What you mean? Bitch, you know I'm still balling  
Get the green, like I played up in Boston  
Walk through the storm and it rained on me  
Kept it real through it all and they changed on me  
But don't know why they always put the blame on me  
Still rode for them until my tank was on E
