(The Heroz)
(The Heroz)
(DJ Pooh, man run that shit back)

All black, rundown
We gon' get them pussy niggas all wet
Gun sound (Rrah, rrah)
Pussy nigga douce back
Leave a nigga on a stretcher, hit him in his bald cap
If I ain't a big stepper, bitch, what you call that?
Stick do damage, you won't take one
This ain't no hot one
Bitch, it ain't no jammin', I'm gon' shake some
Jit got his mind, tryna walk behind it tryna face some
And that blick you clinched don't work like mine
Gon' show you how this Drac' comin', on gang

They know we left one in his shit bag, nigga, stop all that cry in'
And all that lyin', get yo' lick back
Every time they took mine, you know I came and got my shit back
They put that stick on his mans and they broke his ass up like a Kit Kat
And that's all fax
He ain't livin' like he say he livin', that shit all cap
We gon' find out where that nigga live and gon' stop that
If them pussy niggas claim they with it, get 'em all whacked
Since he wanna talk folks to his mouth, push his jaw back

All black, rundown
