Why would you lie to me when I already seen it?

Why would you make a promise knowin' you ain't keep it?

You cut me deep, you can't see my heart bleedin' (Ohh)

I got somethin' I need to tell you

I done even been through Hell with you

How you say you love me but you always goin' against me?

And how I'm 'posed to win when the whole world against me?

Look, I used to ride a ten speed, now I got like ten V

Ain't nobody give me, grind, get a Bentley
