Um-mm-mm-mm-mm

Um-mm-mm-mm-mm

You say it's smoke, we tryna make you choke, we pull up in a hurry

If I tell him to, I bet he shoot, just like he kin to Curry

I'ma send your bitch ass to the sky, soon as I send the word

Hop out, we don't do no drive-by's, when we come bend the curb

You say it's smoke, we tryna make you choke, we pull up in a hurry

If I tell him to, I bet he shoot, just like he kin to Curry

I'ma send your bitch ass to the sky, soon as I send the word

Hop out, we don't do no drive-by's, when we come bend the curb

"Go again", that's what I tell my shooter if he miss his target
Can't hit the club unless I'm getting paid, bitch, I'm too rich
to party

Got yellow diamonds, look like lemonade, Both of my wrist retarded

I'm shinnin', Johnny, honestly, I'ma be real, I don't know what
hit the hardest

I keep a Glock close, right now, I can't tote it, but play and
we'll stretchin' you out

No, he ain't got no motion, he broke and I know it, these niggas
be flexin' for clout

I got a check like Nike, if you ain't got a check for me then,
don't check for me now

All of my bitches keep fightin', that shit don't excite me, it
really be stressin' me out (HeartBeatz on the track)
