

Cupid

JayDaYoungan

(Yeah...
(The Heros)
Yeah...
I'm way up, way up, yeah
My baby name is Jordan but I'm the real Jumpman 2-3
You can't afford it, this shit is not cheap
Lako...)

I sit and think, what would I be without this music?
Grandma asked do I need it? Told her couldn't leave without the tooly
I wish I can repeat it, I swear my life just like a movie
Sometimes I can't believe it but deep inside I always knew it
Whatever you doing, just never lose it and stick to it
They say it ain't what you doing, really it's just 'bout how you do it
Yeah, I watch how I move it, no, I can't do it, I ain't Cupid
What the fuck was you doing? you tried to play me like I'm stupid

I thought that you cared, but you ain't have my back (ain't have my back)
Said you'd be there, tell me where you was at? (Where you was at)
The times that we shared, no I can't get 'em back (can't get 'em back)
I know we been through hell, but never turn your back (don't turn your back)
They act like they know me, but they don't know me (don't know me)
All this water, damn it's holy, don't get too close to me (it's holy)
I can't go back to the old me, but fuck the police (the police)
Baby girl, you're just like a trophy, love when you hold me, yeah
Who'd be there if I ain't have fame?
Who was there walking with me in the rain?
If anything, you the one changed
Who switched up? I'm who they blame
Like what the fuck? This shit a shame
But now I'm up, they all wanna hang
Bitch, get the fuck, just stay out my lane
You say it's up, his top gettin' slain
Behind my name, 2X gone bang
We really stepping, this shit ain't a game
My diamonds dancing, ain't talkin' Rick James
You want my jewelry, well I want your brain
Fuck on your bitch, let her grab on my chain
Told my lil' bitch I'ma buy her a ring
Took me two percs and I hop on a plane
To get fly as me you gon' need two planes

I sit and think, what would I be without this music?
Grandma asked do I need it? Told her couldn't leave without the tooly
I wish I can repeat it, I swear my life just like a movie
Sometimes I can't believe it but deep inside I always knew it
Whatever you doing, just never lose it and stick to it
They say it ain't what you doing, really it's just 'bout how you do it
Yeah, I watch how I move it, no, I can't do it, I ain't Cupid
What the fuck was you doing? you tried to play me like I'm stupid

(My baby name is Jordan but I'm the real Jumpman 2-3
What I got, you can't afford it, you know, 'cause this shit is not cheap
This that real Cupid 23 shit, yeah
My baby name is Jordan but I'm the real Jumpman 2-3
What I got, you can't afford it, you know, 'cause this shit is not cheap)
