Dead Man Walking

JayDaYoungan

Tryna get out of my past
Wonder where my demons going

I'm deep in these trenches don't know where to go
Run Down kill and rob and sinning be all we know
Gots some bodies in the closet only the devil and God know
I'm a dead man walking rest in peace to my soul
I'm deep in these trenches don't know where to go
Run down kill and rob and sinning be all we know
Got some bodies in the closet only devil and God know
I'm a dead man walking rest in peace to my soul
Tryna Heal my past wonder where my demons goin
I got some problems tryna go through em
Tryna Heal my past wonder where my demons goin
I got some problems tryna see how I'm gonna go through em

So many problems I don't know where to go
I needed you but you were never there for me
I lost my mind tryna hold on to my soul
You left me behind and showed me you ain't care for me
Deep up in these trenches all alone with my glock on me
Teachers couldn't teach me shit
But that block taught me (but that block taught me)
I'm in the zone tryna meditate
Its Only so much I can take
I Pray for better days
These young niggas robbin, killin Cause they like to tote k's
I be strapped with dicks but don't go both ways
Keep them snakes from out the circle they just want yo place
Keep my head high it's gonna be ok

I'm deep in these trenches don't know where to go
Run Down kill and rob and sinning be all we know
Gots some bodys in the closet only the devil and God know
I'm a dead man walking rest in peace to my soul
I'm deep in these trenches don't know where to go
Run down kill and rob and sinning be all we know
Got somes bodies in the closet only devil and God know
I'm a dead man walking rest in peace to my soul
Tryna Heal my past wonder where my demons goin
I got some problems tryna go through em
Tryna Heal my past wonder where my demons goin
I got some problems tryna see how I'm gonna go through em

Tryna see if I can make it out
They said this shits a safer route
A Lot of shit up on my mind
I'm trying not to think about
I'm tryna avoid the change
But they steady say I'm changing
Tryna hide all this pain outside
Its steady raining
Tryna heal my past
I been living to fast
I fuck around and crash
I was putting up first
They was countin me last

I swear that shits sad
Police on my ass
They want me bad I stay with that bag
My niggas gone stash so stay in the back
That's a free by the bag
I'm so far out in this ocean on the deep end
Swim with them sharks tryna keep myself from sinking
Bitch I'll shoot you in your face give me a reason
Don't reach for my chains
Don't tempt me and bitch I mean it

I'm deep in these trenches don't know where to go
Run Down kill and rob and sinning be all we know
Gots some bodys in the closet only the devil and God know
I'm a dead man walking rest in peace to my soul
I'm deep in these trenches don't know where to go
Run down kill and rob and sinning be all we know
Got somes bodies in the closet only devil and God know
I'm a dead man walking rest in peace to my soul
Tryna Heal my past wonder where my demons goin
I got some problems tryna go through em
Tryna Heal my past wonder where my demons goin
I got some problems tryna see how I'm gonna go through em
