Any these niggas play games, we slaughter  
Pop, pop, pop  
This nigga, big 23 shit, bitch, oh

Bitch, you say you dumb, I'm dumb too  
Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch, you say you dumb, I'm dumb too

Don't play, I don't tolerate ho shit  
Still with the same guns that we post with  
Southside, nigga, I'm on that 4 shit  
They be quick to speak on me, don't know shit  
Still fuck with styrofoam, no, I did not quit  
Same niggas I stood on the block with  
Don't fuck with him, he on some opp shit  
And he can't come around if he don't cop shit  
Mopstick, hot shit, pull up and drop shit  
My young niggas like to go rob shit  
Fuck the police 'cause you know they can't stop shit  
Tell them bitches to get up off my dick  
Can't pick up my line 'cause I'm tryna get money  
Bitch, don't say I been actin' funny  
When you get the bag 'fore me, didn't call my number  
Like bet, where you at? Yeah, I'm comin'  
They know how I'm comin'  
Every day, to that check, I be runnin'  
Fuck on his bitch, put the dick in her stomach  
Give her back, you should go get your woman  
Came from the bottom, they know who the dumbest  
That young nigga shit, damn, I used to have nothin'  
But now shit bad when I pull up in public  
Shots in my reef, this stick take a hundred

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch, you say you dumb, I'm dumb too  
Bitch, you say you dumb, I'm dumb too  
Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch, you say you dumb, I'm dumb too  
Bitch, you say you dumb, I'm dumb too

Who dat, who dat? Opposition never shoot back  
Gucci crew neck, Balenciagas, call me two stacks  
And your crew fast, niggas know who to shoot at  
Pop two X, and I'm slidin' 'round with two Gats  
One FN that be shootin' like two MACs  
A lot of bitch niggas really know who to shoot at  
Slide up, war time, put your gas up  
And that .45 racks up  
Drug head and he half fucks

Same niggas that he call his brothers, his squad  
Same niggas gon' line him up  
Hunnid thou' on these diamonds  
Fucked his bitch, she was none months  
Let a nigga come touch mine  
Then he know his time up  
Yeah, we gon' do what we want to  
Smoke on the opp and the front  
Put a hunnid bands on his head, then he gotta move smart  
One false move, then he's dead  
Opp hoes all in my DM, act like I don't see 'em  
Ho tryna give me head  
A lotta niggas actin' like they was just gang gang, shit  
And they wanna see us dead

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch, you say you dumb, I'm dumb too  
Bitch, you say you dumb, I'm dumb too  
Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch, you say you dumb, I'm dumb too  
Bitch, you say you dumb, I'm dumb too
