Any these niggas play games, we slaughter  
Pop, pop, pop  
Big 23 shit, bitch

Bitch you say you dumb, I'm dumb too  
Bitch you say you dumb, I'm dumb too

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch you say you dumb, I'm dumb too  
Bitch you say you dumb, I'm dumb too

Don't play, I don't tolerate hoe shit  
Still with the same guns that we post with  
Southside, nigga I'm on that four shit  
They be quick to speak on me, don't know shit  
Still fuck with Styrofoam, no, I did not quit  
Same niggas I stood on the block with  
Don't fuck with him, he on some opp shit  
And he can't come around if he don't cop shit  
My stick, high shit, pull up and drop shit  
My young niggas like to go rob shit  
Fuck the police 'cause you know they can't stop shit  
Tell them bitches to get up off my dick  
Can't pick up my line 'cause I'm tryna get money  
Bitch, don't say I been actin' funny  
Wehn you got the bag for me then call my number  
Like bet, where you at? Yeah, I'm coming  
They know how I'm comin'  
Every day to the check I be runnin'  
Fuck on his bitch, put the dick in her stomach  
Give her back, you should go get your woman  
Came from the bottom  
They know who the dumbest  
That young nigga shit, damn, I used to have nothin'  
But now she bad when I pull up in public  
Shots to my reef  
This thick stack a hundred

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch you say you dumb, I'm dumb too  
Bitch you say you dumb, I'm dumb too

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch you say you dumb, I'm dumb too  
Bitch you say you dumb, I'm dumb too

You ain't talkin' 'bout money, I ain't hit back  
Broke bitch too close, told her get back  
Real nigga I push niggas shit back  
I'll do it broad day or catch 'em when it's pitch black  
Reach for my neck, he won't get his fuckin' wrist back  
They talk a whole lot, but they ain't with that

Pull up, leave one in a shitbag  
He can think shit sweet  
Let me shift back  
Do whatever the fuck I want to  
Don't be out when we come through  
Ain't nowhere you can run to  
My young niggas clutching them drums too  
Got so much money to thumb through  
Like bitches, let's have fun boo  
Bring your friend, I want some too  
Come ride the dick, like a Mongoose  
Bitch with a big booty, long tongue too  
Hoe you ain't bad, you dumb too  
That look was at, that run through  
Tell the truth hoe, I don't want you  
Got a bitch who'll do, what you gon' do  
I do the shit they want to  
They look what up my son too  
That ain't my son too

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch you say you dumb, I'm dumb too  
Bitch you say you dumb, I'm dumb too

Do whatever the fuck I want to  
You niggas play games, we slump you  
Bitch you say you dumb, I'm dumb too  
Bitch you say you dumb, I'm dumb too
