

## Facts

JayDaYoungan

I might jus need another kidney cuz I sip alot of act  
You'll think ill play tennis how I stay with all these racks  
Can't relate to all this fake shit, all I do is state the facts  
Hit up famous, hop up in the foreign, then we do the dash  
Lean got me real sleepy, we might fuck round and crash  
I jus bought me some new shoulder pads, I ran me up a sack  
Girl you change but I'm over that, I'm focused on the bag, (ugh  
) I'm focused on the bag

I walked in the building and I'm toe to toe  
Perkies got me on that level, feeling special ooh I'm loaded  
Try to play me like I'm pussy, bet we bust yo head open  
Baby staring at me, get her number, tell her get in motion  
You know that I bent her over, came on all her skin like lotion  
I jus hit up me a jeweler, bitch my neck finna be frozen  
In New York hop ina uber, we all in a rental smoking  
All these pussy niqqas goofy, but they know I been a soldier  
I'm the sickest niqqa in this shit, they think I got ebola  
Bitch you can't come in the trap, if none of us don't know you  
Keep the heater on my side, yeah ill jus call this bitch a toaster  
Got a bitch that gave me super dome, and she ain from the nola  
Get on the top don't tell her stop, she ride me like a roller coaster  
Got a body like no other, she shaped like a cola cola  
24 up in my Glock and they mistaken me for kobe  
Let her pour me a deuce and fade away jus like ginóbili
