JayDaYoungan

Yeah, you already know what it is
Got this shit from the ground nigga
On the way it's up

I'ma stay real 'cause that's how it's supposed to be
Why the ones that I love the most be who fuck over me?
I been stressin' every night, it's hard for me to go to sleep
Thankin' God I'm livin' life 'cause that's what mean the most o
f me
I'm gettin' tired, yeah I done had enough
So much on my mind but I ain't givin' up
I can't waste my time but I ain't gotta rush
I'm one of a kind, respect is just a must

I pulled up on the scene in a foreign, I'm smokin' hella dope
I go and get a check every minute, yeah I got hella dough
I heard that boy say he want cancer, shit we got hella smoke
No we ain't worried 'bout no nigga, bitch I'll let it blow
She wanna come and fuck with the youngin, she know I got them b
ands
No I ain't really have to say shit, she comin' out the pants
Whenever I go cop me a Vic, I'm pullin' up on Dan
If I can't get my hands on them percs, you know I'm poppin' xan
s
I can't wait to catch the lil bitch, the cutter make him dance
Think you gon' get away with this shit, you layin' where you st
and
I stepped out with a whole lot of money, damn near a hundred ba
nds
How the fuck you hate if you bummin', what I don't understand

I'ma stay real 'cause that's how it's supposed to be
Why the ones that I love the most be who fuck over me?
I been stressin' every night, it's hard for me to go to sleep
Thankin' God I'm livin' life 'cause that's what mean the most o
f me
I'm gettin' tired, yeah I done had enough
So much on my mind but I ain't givin' up
I can't waste my time but I ain't gotta rush
I'm one of a kind, respect is just a must
