Papi's on the track
(See me cry with blood drippin' from the eye)

If I told you that I miss you would you tell me that you missin' me too?
I'm lost right now, I'm confused, don't know what I got myself into
Asked 'cause I already knew, just wanna see if you tell the truth
If you leave now I got nothin', 'cause all I had left was you
Lookin' at my heart in your hand, this shit get real, no, I ain't playin'
Sometimes you won't understand, ain't perfect, I do what I can
You the one God sent, on my knees, yeah, I was prayin'
Askin' for love until you took my heart for granted

I'ma be the one holdin' you tight in my arms every night all the way to the mornin'
If you got attitudes I'ma get some act right and make you call me daddy by mornin'
I don't like when we fight, that bullshit, don't want it
I just need you in my life, so let me know, I'm on it
I been rollin' all night, Percocet, I'm on it
She gon' eat the dick, don't bite, sound like macaroni
And she don't like who I don't like, we got the same opponents
But I can lie, shit was fire, I was livin' lonely
Took my heart and ran, she took my heart and ran away
Steady countin' bands, I'm countin' bands like every day
She tryna give me ass, I told the bitch, "I'd rather face"
But you could fuck this cash

If I told you that I miss you would you tell me that you missin' me too?
I'm lost right now, I'm confused, don't know what I got myself into
Asked 'cause I already knew, just wanna see if you tell the truth
If you leave now I got nothin', 'cause all I had left was you
Lookin' at my heart in your hand, this shit get real, no, I ain't playin'
Sometimes you won't understand, ain't perfect, I do what I can
You the one God sent, on my knees, yeah, I was prayin'
Askin' for love until you took my heart for granted

Look me in my eyes, and never lie to me
Gon' ride for me, gon' die for me, If I tell her, she gon' slide for me
I said, look me in my eyes, and never lie to me
Gon' ride for me, gon' die for me, If I tell her, she gon' slide for me
And keepin' our secrets was never hard for me
If you fuck with me, she tweakin', my bitch go hard for me
Hop in the car, light up the 'gar, she close to God with me
Uncomfortable when I went hard, like when that raw with me
She know I'm scarred with a cold heart, so trustin' bothers me
She seen me cry when blood drip from my eye off the lean
Mm, no, no, talk to me
I was feelin' low-low, like what a car would be

If I told you that I miss you would you tell me that you missin' me too?
I'm lost right now, I'm confused, don't know what I got myself into
Asked 'cause I already knew, just wanna see if you tell the truth
If you leave now I got nothin', 'cause all I had left was you
Lookin' at my heart in your hand, this shit get real, no, I ain't playin'
Sometimes you won't understand, ain't perfect, I do what I can

You the one God sent, on my knees, yeah, I was prayin'
Askin' for love until you took my heart for granted

Took my heart for granted, yeah
Know I ain't playin', mm-mm
Took my heart for granted, uh
Ride that shit 'til the end
