Use to shake out wit my glock now it gottin' dirty
We run down on opps we having fun lerking
We been fucking for a hour she cum every 30
Dick came with extra power blame it on the perky
I pull up in a coop and my ruff missin
Lil racks 15 hunnet just some new tennis
I can't keep em off my dick they like you different
Catch me posted in a gap like my tooth missin'

My lil bitch say she had want some new toddies
If I don't eat this perk I might go out in 2 minutes
And that pussy so damn wet it's like a pool in it
He learn new tricks wit the dick she go the school wit it
