

# Preach

JayDaYoungan

The Heroes

Haha, Baby Wet

Shout out to KP for that beat

I'm a real nigga, so they gon' listen up when 2-3 speak  
We all a different breed, bitch, don't compare them lames to me  
That shit fuck with my head, I think my nigga creep  
I need Percocets sometimes to fall asleep  
I got my top down in my foreign with my rifle next to me  
We been slidin' 'round, these pussy niggas been hiding out for weeks  
We don't catch your ass in traffic, we gon' come to where you be  
Fuck all that talkin', bitch, we stalkin', tryna put your ass to sleep

I need my meds, it's just so I can go to sleep  
These niggas pussy and I know it, no, don't let them close to me

This shit ain't how it 'posed to be, I can't let you fuck over me

Bitch, I'm gon' stand over you, I can't let you stand over me  
Bitch, you must ain't heard of me

Nigga, who the fuck you 'posed to be?

Same one I took from dude, I kept that big four-four with me  
Smoking on an opp pack and this shit right here chokin' me  
I'm rollin' him and rollin' you, so bitch, you won't be rollin' me

All this shit that I go through, can't let it take control of me

Talk to God every day, might not get on my knees

I been stayin' out the way while they come fuck with me

Bitch, if you play, I gotta bust your fade, you know it's up with me

I'm a real nigga, so they gon' listen up when 2-3 speak  
We all a different breed, bitch, don't compare them lames to me  
That shit fuck with my head, I think my nigga creep  
I need Percocets sometimes to fall asleep  
I got my top down in my foreign with my rifle next to me  
We been slidin' 'round, these pussy niggas been hiding out for weeks  
We don't catch your ass in traffic, we gon' come to where you be  
Fuck all that talkin', bitch, we stalkin', tryna put your ass to sleep
