

# Regrets

JayDaYoungan

(The Heroes)

For all of the shit that I did in the past  
I wish I could take it out back  
From fuckin' with you, I swear I regret that  
I would've gave you my last  
Whatever I had, you had  
Whatever, don't ask, attract  
But now that I'm here, all I know is the sack  
Forever I can't look back  
I wanna do some shit that I can't do and I wanna go see some people I can't see  
I ain't believe a lot of shit was true, yeah, it took me to open up my eyes and see  
They won't ever know what I'm goin' through and I cannot let it take control over me  
And I cannot let it take control over me

Deep in that water, can't see  
I swear I barely can breathe  
I swear I barely can breathe  
Can breathe  
I swear I barely can see  
I swear I barely can see  
I swear I barely can see  
These niggas ain't fuckin' with me  
I stepped in the game and I got me a name, just hope they don't see me  
I'm in Atlanta, I'm switching them lanes, I'm all on Peach Street  
I'm all alone, I need to think, this shit ain't easy  
Remember they looked at me strange, they ain't believe me  
But now I'm goin' state to state, I know you see me  
I cut off both of my phones, bitch, you can't reach me  
Life a lesson, just letting every moment teach me

For all of the shit that I did in the past  
I wish I could take it out back  
From fuckin' with you, I swear I regret that  
I would've gave you my last  
Whatever I had, you had  
Whatever, don't ask, attract  
But now that I'm here, all I know is the sack  
Forever I can't look back  
I wanna do some shit that I can't do and I wanna go see some people I can't see  
I ain't believe a lot of shit was true, yeah, it took me to open up my eyes and see

They won't ever know what I'm goin' through and I cannot let it  
take control over me  
And I cannot let it take control over me
