

Run It Up

JayDaYoungan

They just seen me comin' up
Dumb as fuck
HeartBeatz on the track

Before you run behind these bitches or you put trust in these niggas, run it up
You think you gon' stop my bag again, you must be dumb as fuck
All these niggas in they feelings, they mad they not one of us
They ain't see how hard I had it, they just seen me comin' up
On that big 23 shit, I hope you got defense
Bitch we on that creep shit, they ask me, I ain't seen shit
Never seen, that's what we with
Fuck you and who you be with
Bitch, you on some weak shit
But this that real street shit

I got so much shit to speak about
What he speak ain't what he about
Ain't have shit, they ain't be around
Now it's so many reachin' out
But bitch, we got a lot of shots
Bro walk down, we out a Glock
All that fuck shit gotta stop
How you gon' talk without a top?
We gon' catch him down bad, we ain't even gotta plot
Eleven-oh-six Boo gon' crash, he can't wait to spot an opp
Live every day like it's my last, won't never know when I'ma drop
Feel I can't leave the streets alone, keep tellin' mama I'ma stop
Bitch nigga, I'm comin' for y'all
Too much damn money, can't thumb through it all
They callin' me but I don't answer
Just leave me alone 'cause I don't wanna talk
Thought maybe I'm wanted for ransom
Fuck around and start droppin' 'em all
It ain't too much that I can't handle
I stood on all ten, know they want me to fall

Before you run behind these bitches or you put trust in these niggas, run it up
You think you gon' stop my bag again, you must be dumb as fuck
All these niggas in they feelings, they mad they not one of us
They ain't see how hard I had it, they just seen me comin' up
On that big 23 shit, I hope you got defense
Bitch we on that creep shit, they ask me, I ain't seen shit
Never seen, that's what we with
Fuck you and who you be with
Bitch, you on some weak shit
But this that real street shit

You dumb as fuck
They mad 'cause they not one of us
Yeah
