When people hit my phone I don't answer
I was making love to a dancer
RIP to granny she had cancer
Tried to run up on me he got canceled

Free my nigga [?] first I'll have him slime you
Fucking bitches back to back like I'm on that honey
Nigga paid me for a feature and I took his money
I just took a half a 30 and I'm feeling funny
When I fuck her she tell me she feel it in her tummy

My bitch post flat tummy tea
Brodie killed the enemies so nigga RIP
Nigga I been sipping lean and popping RPs
On the internet we don't post our beef
Cause niggas really fucking dying

I was having deals before I was signed
I was selling pills, 2 for 5
I see you talking shit on IG live
You just tight cause your nigga ain't alive
And all that chatting ain't gon' bring him back
And when we spin (yeah I'll be spinnin' back)

When we spin hit you and yo mans so ain't no spinnin' back
