(The Heroz) That nigga said he gon' clap down, J.R
(DJ Pooh, man, run that shit back)

Put forty bands in my mouth, now I can't talk right (Yeee)
Put that dick on this bitch, now she can't walk right (Haha)
I just put a switch on the stick, now it's a assault rifle
I just spent 'bout six on my fit, bitch, this Off-White
Got a Rollie on my wrist, to keep the time right (Bing, bow)
Got a stick right by the belt, I keep that iron tight (Boom, boom)
Shooter on my left to get a pussy nigga mind right
You gon' need some help, 'cause we gon' show you what that iron
like

Bitch, I won't never back down
Catch a nigga running, make him stumble, blow his back down (Come here)
They can't make no money, fuck around and shut their trap down
They know how we coming, we get dumb, we lay that smackdown
You will get clapped down
It's a cold world, we walk around with them heaters out (Them heaters out)
He think he the shit, gon' fuck around and flush his people out
Bitch, I'ma get off, don't like to talk, I'll rather squeeze it out
Bent the curve and hit one where it hurt and left him bleeding out (Damn)
They say they gon' kill me in my city, bitch, come get at me
They know how we livin' in the trenches, bitch, let's get active
And I stand on business, leave him finished if the bitch cappin'
Malik Robinson a hoe and we all know your ass been ratted
Ain't gon' say no name, 'cause all these niggas dying for some fame
He reach for my neck and he gon' end up dying for a chain
 Fucked her from the back and now she walking like she need a cane
She like "Fuck my nigga, 'cause he lame"

Put forty bands in my mouth, now I can't talk right (Yeee)
Put that dick on this bitch, now she can't walk right (Haha)
I just put a switch on the stick, now it's a assault rifle
I just spent 'bout six on my fit, bitch, this Off-White
Got a Rollie on my wrist, to keep the time right (Bing, bow)
Got a stick right by the belt, I keep that iron tight (Boom, boom)
Shooter on my left to get a pussy nigga mind right (What up?)

You gon' need some help, 'cause we gon' show you what that iron
