

Tear Drops

JayDaYoungan

AyJay on the track, the track smasher

Uhh, uhh

Uhh, uhh, uhh, uhh, uhh, uhh

Uhh, uhh, uhh, uhh, uhh, uhh

Uhh, uhh, uhh, uhh, uhh, uhh

Ayy say, look

If you fall down you gotta get right back up, and if you feel like givin' up

Think about that shit one more time, everybody face hard times, It's just life

Teardrops falling like rains drips

Oh, I'm praying for a better day

Everythings gon' be okay

Keep a smile on your face

Cold nights, it's a lot of rain

Nobody said it would be this way

Anything possible with faith

So all you got to do is pray

Oh-oh-oh-oh-oh

Hold me close and don't let me go

It's a whole lot that they don't know, so what happens, It's between my soul

I done seen a whole lotta shit in these days

It seem like a whole lotta shit in replay

I done did a whole lotta shit I won't say

I done did a whole lotta shit I won't say

Mind gone, time gone, I need something else to drank

My mind blown when I'm alone, I need some time to think

Couple cases with relations, It ain't easy taking pain

It was easy stayin' the same but it wasn't easy facing change

I had a body full of ache, I had tears falling down my face

I had done caught another case, I had fucked around and did the race

And I ain't ate in a couple days, just talked to Frog the other day

He said Ruff caught another case, It got me falling on my face

Teardrops falling like rains drips

Oh, I'm praying for a better day

Everythings gon' be okay

Keep a smile on your face

Cold nights, it's a lot of rain

Nobody said it would be this way

Anything possible with faith

So all you got to do is pray

Oh-oh-oh-oh-oh

Hold me close and don't let me go

It's a whole lot that they don't know, so what happens, It's between my soul

Whole lot that they don't know

Whole lot that they don't know, oh

Hold me tight and don't let me go

Hold me tight and don't let me go-oh
