(Ugh
That's what they ain't know
Fuck it though I got hella doe)

Right now it's my time got my foot in the door
Traffic in my phone ring we on the road (yeah)
2 times forever you know we on go
What they don't get to see that's what hurt me the most
State to state just did another show
I been getting money ain't got time for hoes (yeah)
Fuck 12 and free all my bros
Young finessa I go extra they call me the goat (yeah)

Use to steal out stores and I used to wear my brother clothes
My name was J Cole that was back then when I had a Fro
That's what they ain't know but fuck it though cuz now I got hella doe
Got a messy hoe she gon go where ever I tell her go
Stuff dick in her throat she wanna fuck but I just tell her no
Niggas be talking shit I ain't tripping I just tell em go
Put yo move and I'ma flush you out just like a tissue roll
I'm so sick of hoes why you all up in my business hoe
I'm finessing hoe why the fuck you around here stressing hoe
I need me some smoke who got that gas they say Mexico
Now I need a soda so I whipped out right at Texaco

Can't fuck with these niggas they'll cut yo throat
I been hurt before I can't be hurt no more (yeah)
I'm from the south I'm throwing 4s
Bitch if we flash that's yo ass go and strike a pose (yeah)

Right now it's my time got my foot in the door
Traffic in my phone ring we on the road (yeah)
2 times forever you know we on go
What they don't get to see that's what hurt me the most
State to state just did another show
I been getting money ain't got time for hoes (yeah)
Fuck 12 and free all my bros
Young finessa I go extra they call me the goat (yeah)

Married to the game I just bought my bitch a wedding ring
Pulled up to the scene prefer 93' my blood supreme
I'm like what you mean big knife sticking out my fucking jeans
I stay down so long you know RuffWayy been a team
Jumpman 23 gang time I'm finna go win a ring
Free Ruff til he on I wish he can chase his dreams
Fuck a bitch and leave love ain't really what really seems
Green dot to Jerome free my nigga off that beam
At night I can't sleep nightmares keep on interrupting me
Damn they did me wrong fuck they just gave up on me
What they don't get to see that's what really means so much to me

Right now it's my time got my foot in the door
Traffic in my phone ring we on the road (yeah)
2 times forever you know we on go
What they don't get to see that's what hurt me the most
State to state just did another show
I been getting money ain't got time for hoes (yeah)

Fuck 12 and free all my bros
Young finessa I go extra they call me the goat (yeah)
