

Try Me

JayDaYoungan

(Ayy, Rashonn, this beat go crazy)
Bitch, I ain't Dej Loaf so don't you try me
(Jah, heat it up) Murder one, top one, two-three (Try me)

Bitch, I ain't Dej Loaf so don't you try me (Don't you try me)
Windows tinted, ride slow, stick beside me ('side me)
I'm tryna punch you in your throat and make your mind bleed (Your mind bleed
)
And if they don't, we let them pussy niggas know, we let that iron squeeze (
Bitch, come here)
That nigga fuck wit' mine, then he gon' need more than the IV
My shooter trigger finger itching, bitch, no poison ivy (Bang)
Y'all like to take shots from keyboards on IG (IG)
We like to give out face shots like a fuckin' ID (Oh, woah)
Bitch, you posted up, my niggas lurkin' on the side street (Ayy, yeah)
Fuck around and put this dick to work just like a job be (Oh, woah)
I'ma dick a hoe then put him in the dirt, he tried to rob me (Ayy, yeah)
Might fuck around and wear that nigga shirt, call it the opps team (Oh, oh)

Take his mama baby boy on top of Rodney
He say he live that thug life, gon' send his ass where Pac be (Oh, woah)
Leave his head red like the sign, they try to stop me (Oh, woah)
We put them pussy bitches straight to bed
Bitch, you might die asleep (Bitch come here)
I'm twenty-three

Bitch, I ain't Dej Loaf so don't you try me (Try me)
Windows tinted, ride slow, stick beside me (Beside me)
I'm tryna punch you in your throat and make your mind bleed (Mind bleed)
And if they don't, we let them pussy niggas know, we let that iron squeeze (
Bang)
That nigga fuck wit' mine, then he gon' need more than the IV
My shooter trigger finger itching, bitch, no poison ivy (Ivy)
Y'all like to take shots from keyboards on IG (On IG)
We like to give out face shots like a fuckin' ID (Ayy)

That nigga dumb, like fuck the talkin', we gon' off him
G askin' what the cost is, he really raw(He really raw)
He a vulture, he a stalker, he like God, do it free
Like fuck a fee, I'm tryna put you in a coffin (Pussy, bitch)
So, pussy bitch, be cautious
Fuckin' wit' me like a Corona, do you want it?
End up stretched out, blood spittin' when you coughin'
Could take a whole .50, this bitch bring a lot of power
Wet a nigga like a shower
Why the fuck he smellin' sour? (Uh, damn)

We tryna put a slug in your shit (Got that pussy, gang)
Give it up, don't give a fuck who you with (Fuck)
Ridin' 'round through the city on that, "Fuck a nigga" shit
Try me now and you gon' die, I'm on that boss a nigga shit
I fuck that nigga bitch, boy-

Bitch, I ain't Dej Loaf so don't you try me (Try me)
Windows tinted, ride slow, stick beside me (Beside me)
I'm tryna punch you in your throat and make your mind bleed (Mind bleed)
And if they don't, we let them pussy niggas know, we let that iron squeeze (

Bang)

That nigga fuck wit' mine, then he gon' need more than the IV
My shooter trigger finger itching, bitch, no poison ivy (Ivy)
Y'all like to take shots from keyboards on IG (On IG)
We like to give out face shots like a fuckin' ID (Ayy)

Give out face shots like a fuckin' ID
Pussy scary ass nigga, never try me
And you know this world cold, I keep my heat
Tryna wipe a nigga nose since he say he slimy (Oh, oh)
