

# Wake Up

JayDaYoungan

(Wake up, wake up, wake up)  
Wake up, I don't wanna wake up, I don't wanna wake up  
(Oh, don't wanna wake up)  
Th-Th-Th-The Heroes

You know I get out there quick  
What they say? Tell 'em get off my dick  
Stepped out and I look like a brick  
Thirty bands, I put that on my wrist  
New Rollie, can't hear when it tick  
Forever gon' be on that young nigga set  
They all in my business, don't know who I'm with  
I'm after the sack, come and watch me get rich  
I'm on my way up  
I think 'bout a mill' everyday when I wake up  
Real shit, I ain't made up  
Yeah, I'm a young nigga, but I got my weight up  
They ain't got a clue  
Might buy a new foreign 'cause there ain't shit to do  
You can't do what I do  
I got 'em in love when they spotted the coupe

For the ones said I wouldn't be shit  
I been told myself that I would never quit  
Invested my bands, let 'em sit  
Just know I'm right here if you're down on your dick  
For my brothers, none them niggas snitched  
I wish I could give him the time that he missed  
That's the last time I'm totin' them sticks  
They goin' all in if I tell 'em to blitz  
I got 'em confused  
Why speak on me? I don't know you  
Should I take off the roof?  
200 my dash, no way I can cruise  
Went Louis my shoes  
There's too much designer, no way I can lose  
This shit kept me true  
You fucked over me twice but I played the shit cool  
Baby, watch how you move  
You play with my feelings, that ain't what you do  
Could've told me the truth  
I would've been better off cuttin' off you  
Bitch, you overdue  
Ask me do I love her, I responded like, "Who?"  
I can buy me a school  
My money got longer, this shit to the roof

You know I get out there quick  
What they say? Tell 'em get off my dick  
Stepped out and I look like a brick  
Thirty bands, I put that on my wrist  
New Rollie, can't hear when it tick  
Forever gon' be on that young nigga set  
They all in my business, don't know who I'm with  
I'm after the sack, come and watch me get rich  
I'm on my way up  
I think 'bout a mill' everyday when I wake up

Real shit, I ain't made up  
Yeah, I'm a young nigga, but I got my weight up  
They ain't got a clue  
Might buy a new foreign 'cause there ain't shit to do  
You can't do what I do  
I got 'em in love when they spotted the coupe

And I don't wanna wake up
