(You have no heart!)

I'm falling for you, girl (Fallin' for you)  
Tripped on my own laces  
Lost in ways, I can't explain it  
And you don't see me complainin'

Fallin' for you, it's all in my head  
It's all in my head, it's all in my head  
Can't fall for you, you're all in my head (All in my head)  
You're all in my head (You're all in my head), you're all in my head
