I'm so horny I could kill you
Disassembled girl
Disassembled girl
My disassembled girl
I'm so horny, I can feel you
Should I take my time with you?
Should I take my time with you?
I'm so horny I could kill you
Disassembled girl
Disassembled girl
My disassembled girl
I'm so horny, I can feel you
Should I take my time with you?
Should I take my time with you?

Ooh
Ooh, ooh, ooh
