

(Ah)

Killed my girlfriend and it felt so good
I opened up her body and I ate her guts
Bitch thinks I'm cheating, I think I should
I know you don't really like me, and I hate your guts

Write my name on your ass because
Owning you is just not enough
Life as a junkie really sucks
Eyes rollin' back and she noddin' off

"You're way too freaky"
It's just the real me
Maybe you feel me, or you don't fuckin' feel me
I'm finna kill you, do you fuckin' hear me?
I'm finna kill you, do you fuckin' hear me?
"You're way too freaky"
It's just the real me
Maybe you feel me, or you don't fuckin' feel me
I'm finna kill you, do you fuckin' hear me?
I'm finna kill you, do you fuckin' hear me?

Write my name on your ass because
Owning you is just not enough
Life as a junkie really sucks
Eyes rollin' back and she noddin' off

"You're way too freaky"
It's just the real me
Maybe you feel me, or you don't fuckin' feel me
I'm finna kill you, do you fuckin' hear me?
