

let it burn

jaydes

I don't really give a shit about your stupid girl
I don't really give a shit about your stupid world
Seen my true color and you came out insecure
When you feel pretty, do you like to spin and twirl?

Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn

I feel better when my head's knocked on right
I think something bad is happenin' to me
Death at your door, I came there knocking twice
It's all bullshit, her parents asked me to leave

Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn

I don't really give a shit about your stupid girl
I don't really give a shit about your stupid world
See my true color and you came out insecure
When you feel pretty, do you like to spin and twirl?

Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
Let it burn (Let it burn, let it burn, let it burn)
Let it burn
