Yeah, yeah  
Bad bitches come my way  
These bitches see me, they wanna play  
And I might put that B.B on her waist  
Can't give out freebies, don't go on dates  
Came to the show and she seen my face  
She was a hoe when she mentioned my plays  
Yeah, yeah, yeah  
And I live by the jugg and I die by the jugg  
If you is a thug, then show me wassup  
Took 500mg, shit not enough  
They said "Jaydes, why you empty?"  
I sold my soul  
Ima pull up to M.D just for the show  
Ima be up in N.Y in a few weeks  
Maybe Ima spend time wit' my hoes

All of these bitches, they think  
I put a A.P in a sink  
I got a chop and it came wit' a beam  
I'm paid off of streams nigga, count it up  
Won't stock and clean, bitch I don't give a fuck  
She got a man, how she shakin' her butt though?  
If you not gang then don't say "wassup?"  
You not the gang, nigga pull out the cut throat

Pull out one hunnid round drums  
Nigga wassup?  
You in the wrong hood, nigga you dumb  
All of my niggas in love wit' 'em guns  
Too bad I fell in love with bussing jugs (juggs)  
If I'm in the trap, yo' bitch in the trap  
She shakin' her ass, I'm getting my bag  
These niggas outside, the venue real packed  
I'm getting my racks, okay
