

numb

jaydes

Yeah

It's young Jaydeschrist in this bitch stop playing
Big cheetah world big bro [?]

Cheetah world

You have no heart

Yeah, yeah, yeah (Ayy, ayy)

Can't even feel right now (Yeah, yeah, yeah)

Can't even feel right now

Can't even feel right now (Yeah)

How you gon talk that shit?

Come to me when you lost

You lucky I'm here right now

I bet it's so clear right now

I'm so high, out of my body like

Am I up in here right now?

Am I up in here right now?

Jay-jaydes fuck up on your favorite rapper hoe

Watch how this twenty-ball turn to a fifty

And we in a hummer this lil hoe with me

And I told lil baby to get what she want

Show me her ass, now I'm up in her kitty

None of these niggas can really fuck with me, yeah

None of these niggas can really fuck with me, yeah

None of these niggas can really fuck with me

(Yeah)

Can't even feel right now, yeah

How you gon talk that

Shit? Come to me when you lost

You lucky I'm here right now (Yeah)

I bet it's so clear right now

We in this bitch, 2023

Doin' this shit live for ya'll

This shit too wavy bruh

It's really that new soul music, for real bruh

You know how we get down, you feel me?

You know jaydes a therapist

Your favorite therapist in this bitch
