Niggas keep playing 'till somebody die  
Steppin' so clean, and I'm not talkin' Tide  
Your shorty know how to vibe-

(You have no heart!)

I'm just countin' up my racks, bro, why you so offended? (Plug)  
If you do not like me get the fuck out of my mentions  
Haha, yeah you mad, fuck y'all (Evvl's)  
Posted up right now, but if I see twelve, I'm gone

Smoking gas, it's hard to breathe  
Smoking gas, it's hard to see  
Nobody as hard as me  
Smoking this zaza, it's hard to sing  
Gather my bread, I'm harvesting  
I'm with yo' bitch, and she wanna be mine  
Niggas keep playing 'till somebody die (Bih bih)  
Steppin so clean, and I'm not talkin' Tide  
Yo shorty know how to vibe  
1, 2, 3, all these women are some fiends (Yuh)
