

patience

jaydes

(You have no heart)

Yeah

You know I want you, it's not hard to tell (Hard to tell)
I think I messed up my bones when I fell for you (Okay, okay)
"What about these other hoes?" Oh, well
Really don't care what your old ones meant to you
Yeah, I know you've been through hell
Don't gotta tell me, you don't gotta mention it
Sorry if I don't come off as affectionate (Yeah-yeah)
Lot's on my plate, I just- (Yeah-yeah, lot's on my plate)

Ha-ha-have patience with me (Yeah-ah)
Have patience with me (Oh, oh, oh)
Have patience with me (Yeah-ah)
Have patience with me (What? What? What?)

Over time I stopped bein' patient with us
And I can't hear your words, girl, you're so far gone
You ripped my heart right out my back
And I can't ever think the same
It's made you wanna come on back
But, girl, I treated you the same
And, girl, just treat yourself like someone who loves you would
And let me speak for you, I know that you want me to (Ayy)
And that'll never be me to you, to you (You have no heart)

You know I want you, it's not hard to tell
I think I messed up my bones when I fell for you
"What about these other hoes?" Oh, well
Really don't care what your old ones meant to you
Yeah, I know you've been through hell
Don't gotta tell me, you don't gotta mention it
Sorry if I don't come off as affectionate (Yeah-yeah)
Lot's on my plate, I just- (Yeah-yeah, lot's on my plate)

Ha-ha-have patience with me (Yeah-ah)
Have patience with me (Oh, oh, oh)
Have patience with me (Yeah-ah)
Have patience with me
