(Hey Glumboy)

Throw some money all up on the floor  
You was flexin' on me, so I had to settle score  
Like this shit was Fall Guys I'm runnin' for it  
I'm already in my bag, I just wanted more  
Shawty, wanna fuck with the team, but she fell off (Oh)  
She said, "Ayo, why'd you unfollow? You a sell out"  
Started making money, and they wanna be my friend now  
You gon' reap what you sow, I'ma act like I don't know you  
Shawty wanna fuck with the team, but she fell off (Oh)  
She said, "Ayo, why'd you unfollow? You a sell out"

You gon' reap what you sow, I'ma act like I don't know you

I gave you the sauce, like a preacher  
She said, "I don't learn"  
I said, "Duh, I'm the teacher"  
I can't even walk without my chain on my tee shirt  
ADHD meds just got me posted on bleachers  
Shawty said she love me but not lovin' me in public  
So you know I had to deal with her, I can fuck on someone other  
He went from talkin shit, to crying runnin' to his mother  
That's just how it goes you always gon' show your true colors
