Yeah-yeah, yeah-yeah-yeah-yeah-yeah, yeah
Yeah, yeah, uh, yeah

Damn my life, need a poster girl
I hate your parents, it's the end of the world
The time gets wasted, ain't riskin' to twirl
To find I was chasin' a whole different girl
About my wisdom is that life's not awesome
Matter of fact, your whole life's on the line
So I'm gonna push you right over that line
And now you seein' things the way it wasn't defined
Bitch, better give me that panty suit
Because they been all damn over you
Or else I'm over you, or else I'm over you (Or else I'm over yo
u)
Piss in your pants, I'm all over it
