jaydes

I'll be your poison  
I'll take you out of that head of yours  
I feel you deep in my skin  
I can't let you in  
But you're what I need  
You're what I need

Fallin' deep in your poison (You have no heart!)  
I'm fallin' deep in your poison  
I'm fallin' deep in your poison  
Everything in me craves your touch  
It's just you, me and these Swishers  
And calls that I won't pick up  
You complain about him  
So cut him out the picture

I'll be your poison  
I'll be your poison  
I'll take you out of that head of yours  
I feel you deep in my skin  
I can't let you in  
But you're what I need  
But you're what I need  
Fallin' deep in your poison  
I'm fallin' deep in your poison
