

You, You, You

"That nigga Evvls can run a fade, too, bruh, I'ma keep it real nigga, oh, ye  
ah, alright, nigga"

Blocking these bitches they making me sick  
Hit up the Neiman's, spend racks on my fit  
Talk with your chest nigga, whatchu' need, Vicks?  
Too many bitches I'm tired of it  
Put on some Vivienne, I mix with the Rick  
I need a hoe gon' take me some flicks  
She said we friends I'm not showing no signs  
I'ma say fuck it and blow her a kiss  
I'm used to the money, you're foreign to it  
I'm making hits, I made four in a row  
She said she love me I say that's a joke  
Convo deleted, that's just how it goes  
I'm reppin' 27 bitch I'm posted with Rio  
They think we sold our souls  
Why lil' bro hating like he wasn't asking for feats though?

I don't know uh, I don't know yeah  
I don't know, I don't know  
Lil shawty count it up  
Lil baby high off the Adderalls  
My day hasn't been that bad at all  
I don't know yeah, I don't know, I don't know  
Lil shawty count it up  
Lil baby high off the Adderalls
