

Hey, hey, hey, hey  
(You have no heart!)

I fell in love with the cash  
Can you just keep it a stack?  
You only want me for the racks  
She only want me for the movement  
I run up my check, like, let's do it  
I know your girlfriend listen to my music (Oh)  
I got my check and I run right through it (Yeah, yeah)  
They hit me up, they like, "How do you do it"

Show me your vision  
She tryna convince me  
Her love gets me pissed off (This shit got me pissed off)  
You better miss me with that shit  
Show me your vision  
She tryna convince me  
Your love gets me pissed off (This shit got me pissed off)  
You better miss me with that shit (Bitch, bitch, bitch)

I need some Ty, need some Ty, need some Ty
