

## wanna take advantage of you

jaydes

Yeah, yeah, yeah

She's an angel reigning in Hell  
Well, baby, did you hurt yourself when you fuckin' fell?  
Bitch, I look like death, I'm crazy and I fucking smell  
But shorty don't give a shit  
And her parents can tell  
(Yeah, man, her parents can fuckin' tell man)  
Fuck

I wanna take advantage of you  
But only if you want me to  
You'll never see the things I do  
I wanna possess in you

You're too pretty, tell me something good  
Give you purpose, maybe I could  
Make a move on you, maybe I should  
Make the move on her, maybe I would

I wanna take advantage of you  
But only if you want me to  
You'll never see the things I do  
'Cause I wanna possess in you
