

Animal

JayKae

2024 se Arma taiyaar
Aakhir tak larhu na maanu main haar (no way)
Shoot for my brothers, they call me Abrar
Aandar ka Animal hoya faraar
Table ke neechey hum paisa qamate hai
Nashon mein zindagi bhar bhi udaatein hai
Bobby Deol jaise dushman ko kaat te hai
Haq di qamayi tere baap ka nai khaate hai
Sher puthar mera jiggar hai sher da
Jungle te vich, bhooka bheta baare dher da
Ride out in a tractor, I'll pull up in a Maybach
Messing with my family, you know I'll come for payback
Police wale ethe kehnde menu masala
Jadon jaava opp block parha rehnda asala
I'm an Animal, you're about to see my hunger
Sarkan de puch etha naam mera chal da

I'm a gabru jawan, na main kara gang gang
When the bullets start flying, all you hear is bang bang
Ten years on my hands if I'm caught with all these grams
Now I feel like Ranbir cuz I do this for my fam
Man I feel like Ranbir cause I still ride for my fam
I'm an Animal, I dont need to rep any gang
No manuals, only in the auto Germans
Only making one call and my bruddas let it bang

I got family up in Dadyal, killers up in Hazro
Dad got around, I got a brother up in Glasgow
Any violations, no question, let the straps blow
Man a man's an ASBO
Stack money, act broke
You can have cash bro, have you got a backbone?
Munching on the curries but they want us to go back home
Fuck no, forgot that I'm apna and an akh bro
We can put the heat on 'em if they wanna act cold
I came from nuttin and made suttin from it
I'm an animal they'll never put a muzzle on it
And if I aint a fucking king then I'm coming for it
Don't put nazar on it
Yeah I'm back like Bobby Deol
And I'm still independent, I ain't got a deal
Yeah she likes the Prada, she don't want the Dior
And I'll still spin it back if you got me before, 2Real

I'm a gabru jawan, na main kara gang gang
When the bullets start flying, all you hear is bang bang
Ten years on my hands if I'm caught with all these grams
Now I feel like Ranbir cuz I do this for my fam
Man I feel like Ranbir cause I still ride for my fam
I'm an Animal, I dont need to rep any gang
No manuals, only in the auto Germans
Only making one call and my bruddas let it bang

Maaza nahi aarah Manjot
Kuladhi sut

I'm a Animal mein rappers ko khata

Arma and 22 thats Apnas and Kaalas
2024 mera saal mera vaada
Ab mere kaalon ko hindi sikhaata
Let loose, now they want me in a zoo
Feds know me, they think my colours blue
He wore green, got left with a red dot, Bengali
Streets ain't safe, this is far from Balamory
Aicha, I love me a soni kuri
When she on her reds, I call her tandoori
How you know me? Like Abrar got my story
Trapping what they taught me
Taking pics now so my baby can't ignore me
My Asian girl adore me but she wanna war me
When her family hear me, she say a different story
Came a long way from jail, see my face in stores now
Me and all my mundehs are kicking down the doors now

I'm a gabru jawan, na main kara gang gang
When the bullets start flying, all you hear is bang bang
Ten years on my hands if I'm caught with all these grams
Now I feel like Ranbir cuz I do this for my fam
Man I feel like Ranbir cause I still ride for my fam
I'm an Animal, I dont need to rep any gang
No manuals, only in the auto Germans
Only making one call and my bruddas let it bang
