

## Every Country

JayKae

Bro I got a peng ting in every country  
Text her when I land and she come and get me  
Driving to the show  
Pattern up the week  
Blud it's people like her  
I was out in Paris when she came and met me  
Took time off of work  
Got me cut a spare key  
She don't wear much make-up  
But still looks buff  
Man it's people like her

And I'm back to the bits  
And I'm back to the ends  
Show love to my friends  
Put food on the table  
And I'm glad that I'm able

And I'm back to the bits  
And I'm back to the ends  
Show love to my friends  
Put food on the table  
And I'm glad that I'm able

Yeah I'm glad that I'm able  
I ain't gotta shot no abel  
I ain't got signed to a label  
I can put food on the table  
It was't always like this I'm praying to day man I'm grateful  
I can catch a flight catch a tan  
Just to put a mic in my hand, yo I'm liking the plan  
She wants to see me know we can all to buys on the land  
Yeah man do bits  
Man make hits  
See me on the strip and I wanna take pics  
Comin' for the mobos comin' for the brits  
And you won't prospire if you don't take risks  
See me at the studio putting in shifts  
Shaking it bits ain't calling it quits  
Yeah I got a family that I provide for  
Still tryna' move my mum out the bits

Cause' I'm back to the bits  
Back to the block  
Come a long way from putting cash in my sock  
Yeah used to put my money in a shoebox  
Now it's in the bank and they're taxing the lot  
Trust me I ain't gotta graft on the block  
Trust me I ain't gotta do nothing hot  
Yeah man I had it on lock before I got locked  
Now ave' a look who's at the top
