

# Let Me Go

JayKae

Will you let me go?  
Will you let me go?  
Will you let me go?  
Will you bring me home?

Will you let me go?  
Will you let me go?  
Will you let me go?  
Will you bring me home?

Let me go, let me go  
You don't wanna know I  
If you don't tell me I'ma go  
Wanna be alone, I

No, I can't make up my own mind  
I don't wanna change up my whole life  
Don't wanna change up my old life  
I don't wanna break up my old ties

Summer go, summer go  
You already know I  
I'ma stay with you  
Rest of my whole life

Oh I, oh I, oh I  
Can't make up my own mind  
Ready to change up my whole life  
Oh I gonna be with you

Will you let me go?  
Will you let me go?  
Will you let me go?  
Will you bring me home?

Will you let me go?  
Will you let me go?  
Will you let me go?  
Will you bring me home?

I wanna ride, wanna die in your arms  
Sometimes it's a lie of the times I'm all out  
Loving you, loving you  
Loving you, loving you

I'm in the place so I'm kinda busy  
Having waffles by my acrobat shit  
Swear that I don't think I wanna marry this chick  
Hope you got a couple hairs minding this shit

And everywhere average but we're established  
I'm on a tour, we don't speak the same language  
She knows I'll always back her like my ad-libs  
Up here with a good girl, I don't want no bad bitch

Let me put a ring on it  
Yeah, she makes me wanna sing on it

I pick her up and let her swing on it  
Yeah, I'm from the city, I'm the king for me  
And yeah, I been on it

So what you been up to?  
She's a five plus three plus two  
She can't stay but she cleans up too  
Hard times, I wanna see them through  
I love you and I mean this too, I wanna be with you

Will you let me go?  
Will you let me go?  
Will you let me go?  
Will you bring me home?

Will you let me go?  
Will you let me go?  
Will you let me go?  
Will you bring me home?

Let me go, let me go  
You don't wanna know I  
If you don't tell me I'ma go  
Wanna be alone, I

No, I can't make up my own mind  
I don't wanna change up my whole life  
Don't wanna change up my old life  
I don't wanna break up my old ties

Let me go, let me go  
Let me go, bring me home  
Let me go, let me go  
Let me go, bring me home

I wanna ride, wanna die in your arms  
Sometimes it's a lie of the times I'm all out  
Loving you, loving you  
Loving you, loving you

Loving you, loving you  
Loving you
