

1 & !

Jaymay

One & one is through, you know,
The lily grew between the snow
I thought you knew,
The lily grew,
I thought you knew,
I thought you know
Under cover we read plays
Moliere, those were the days,
Robespierre, the reign of terr
No underwear, no wonder we're afraid
My love, what gives?
It's so hard, I mean,
Who lives?
