

Never Weep

Jaymay

I built her a tower when I was young
Sometime she will die
I built it with my hands, I hung
Stones in the sky.

Old but still strong I climb the stone
Sometime she will die
Climb the steep rough steps alone,
And weep in the sky.

Never weep, never weep.
Never weep, never weep.

Never be astonished, dear.
Always expect change.
Never run away in fear.
Nothing is strange.

We have seen the human race
Capture all its dreams.
Every dream we dare to chase,

Except for peace.

But never weep, never weep.
Never weep, never weep.

Never weep, never weep.
Never weep, never weep.

Take your mind to a place
Where Nature sings
In good time you may find
You have sprouted wings.

Beware these are the failing years--
They will go deep.
Darlin' wash away your tears
Never weep

Never weep, never weep.
Never weep, never weep.

Never weep, never weep.
Never weep, never weep
