

Baby this love, I'll never let it die  
Can't be touched by no one, I'd like to see him try  
I'm a mad man for your touch  
Girl, I've lost control  
I'm gonna make this last forever  
Don't tell me it's impossible

'Cause I love you for infinity  
I love you for infinity  
'Cause I love you for infinity  
I love you for infinity

Oh darling, my soul  
You know it aches for your's  
And you've been filling this hole since you were born  
'Cause you're the reason I believe in fate  
You're my paradise  
And I'll do anything to be your love, or be your sacrifice

'Cause I love you for infinity  
I love you for infinity  
'Cause I love you for infinity  
I love you for infinity

Meet me at the bottom of the ocean  
Where the time is frozen  
Where all the universe is open  
Love isn't random, we are chosen  
And we could wear the same crown  
Keep slowing your heart down  
We are the gods now

'Cause I love you for infinity  
I love you for infinity  
'Cause I love you for infinity  
I love you for infinity
