

You're 22
Too hot to handle
Girl, I wanna handle you
Put my hands upon you, baby
You're 22
Too hot to handle
Girl, I wanna handle you
Put my hands upon you, baby

Say you like to really ride
Girl, I really know your type is me
Wondering if you and I could be
Kim K and Kanye crazy
Just maybe
Constant crazy with my lady
You got something that I'm interested in
Just maybe

You're 22
Too hot to handle
Girl, I wanna handle you
Put my hands upon you, baby
You're 22
Too hot to handle
Girl, I wanna handle you
Put my hands upon you, baby

22 going on 23
You look prettier when you're fucking with me
I'm in your city, I'ma show you what it means
To be loved, fucked
22 going on 23
You look prettier when you're fucking with me
I'm in your city, I'ma show you what it means
To be loved, fucked

You're 22
Too hot to handle
Girl, I wanna handle you
Put my hands upon you, baby
You're 22
Too hot to handle
Girl, I wanna handle you
Put my hands upon you, baby
