Damages

JayO

You know that nobody can't come take my love
All the other girls you know they don't mean nothing
You the only one that gets me high like just
You know that ya trouble cause too much madness
Too much madness
Girl you know you're trouble, girl you do me damage

You don't know nobody who can take my love
Wid you girl that's emotional damage
You careful with who you trust
Don't let 'em near cah ya soul been damage

Damage dancing over your body
The damage getting a hold of
 (Damage getting a hold of)
Damage dancing over your body
The damage getting a hold of
You

Protect and heal my shawty
Carry her good good soul
Protect and heal my shawty
Cah she don't know these roads

Girl you're heading down a one way
One way ticket to heaven
One way ticket to better
One way is only how you're coming with me
Girl I know what you want and I wan provide
Girl only if you tell me what's been up on your mind
Ooo

Damage dancing over your body
The damage getting a hold of
 (Damage getting a hold of)
Damage dancing over your body
The damage getting a hold of
You

Wanna give you life
Life
Life and all you desire
Baby I
Oh I
Feel a need to require
Oh
Whatever it takes
You got your way
Ooh
This damage you're causing got you restarting everything
