

# High Heels

JayO

The way you look in them high heels  
Yeah  
It's keeping me on my toes  
Wanna see if ya down for the night still  
But you can't say I'm doing the most

When I hit you up  
And you at home  
Not in a rush  
But girl we got to go  
Physical touch  
You say you like it slow  
Not in a rush oh baby  
Rush oh baby

Say, me know  
You like a bad boy girl say me know  
You know me love it when you tip pon ya toe  
Say  
Me want a likkle bit more

Ah me get the keys to ya punani  
Ay my girl you bring the tsunami  
No need to rush for me mami  
Why you in a rush for me mami  
Say  
You make a brudda lose composure  
Ride it like a rollercoaster  
Can't let nobody else control ya

Cah you expensive  
Gyal I might mention  
Diamonds on ya necklace  
Sentimental  
Every ting about you I mention it all  
From your face to your waist  
Figure eight  
Ten out of ten I put you on my plate  
Delicious, gimmie a taste  
You're vicious, I see it in ya face  
But I still say I'm gon' see you 'cause I know

The way you look in them high heels  
Yeah  
It's keeping me on my toes  
Wanna see if ya down for the night still  
But you can't say I'm doing the most

When I hit you up  
And you at home  
Not in a rush  
But girl we got to go  
Physical touch  
You say you like it slow  
Not in a rush oh baby  
Rush oh baby

Say, me know  
You like a bad boy girl say me know  
You know me love it when you tip pon ya toe  
Say  
Me want a likkle bit more

Silhouette, silhouette  
Silhouette, silhouette  
Ya silhouette  
Gyal ya silhouette  
No be like all the rest  
Mi say  
You need to take it easy for me  
(Be easy, baby)  
(Why don't you come settle yourself down over here)
