Every gal wan' work up for me  
Issa vibe  
Every gal wan' know me in the streets  
All we do is catch flights  
Set the place alight  
If you ain't about the money tell 'em boom bye-bye  
I tell 'em boom bye-bye  
You ain't about the money tell 'em boom bye-bye  
Issa vibe, issa vibe, issa vi-i-i-i-ibe

Far far away from mi telescope  
I make her bend it over, do it on the sofa (yeah)  
Nobody get the ussy, the ussy bipolar  
I love it when you're all hung over  
Early in the morning got you fixing up the closure  
All week  
I love it when you take your time for me  
All up in the place and you honour me  
I tell 'em issa vibe what you askin' me? (yeah)
