

Often

JayO

Tell me why I don't see you often
Often, it should be constantly
You and I both got options
Yeah, baby, maybe we (Maybe we)
Should book a flight to Greece (Book a flight to Greece)
Let's take it overseas (Take it overseas)
Know it's where you wanna be (It's where you wanna be)
Sunsets on the beach
Don't lie to me, you fucking with me?
Down low, movin' discreet
Tell me baby, have you got what I need?
I need some sugar, dump, dump, chk, chk
Dump in her trunk
Tell them boy them come
It's ready when you want

I heard from the grapevine
You get messy with that waistline
Showing suttin' I ain't seen before
Showing suttin' I ain't seen before
Turn off the light, though

Tell me why I don't see you often
Often, it should be constantly
You and I both got options
Yeah, baby, maybe we
Should book a flight to Greece (Book a flight to Greece)
Let's take it overseas (Take it overseas)
Know it's where you wanna be (It's where you wanna be)

In a bikini, you're teasing me
Girl, I might just rub you like a genie
Work for it baby, no freebies
Tell me again, I might just make some amends, yeah
'Cause you can't miss me, 'cause you kinda cute
Choose some liquor, bring all your friends
Gone in a min, gwaan with your girls
'Cause they know how you think
So do I, I guess I know you right
Girl, you too dangerous
Girl, that's my favourite thing about you

Tell me why I don't see you often (Why don't I?)
Often, it should be constantly (Constant)
You and I both got options
Yeah, baby, maybe we (Maybe we)
Should book a flight to Greece (Book a flight to Greece)
Let's take it overseas (Take it overseas, overseas)
Know it's where you wanna be (Wanna be)
Sunsets on the beach
Don't lie to me, you fucking with me? (Where you dey?)
